TO WHOM IT MAY CONCERN:

The Middle Tennessee Bone and Joint Clinic has been using Alliance Collection Agency since August 2008. We have been happy with their service and found them to be both professional and friendly. Alliance has a very helpful staff that is always willing and able to answer any questions that my arise from accounts that have been placed with their agency. The client services department is always available and their reports are clear and easily understood.

Sincerely,
